Parents and Students Meet the tutor evening.

All parents/carers and students are invited to attend our Transition Evening on Tuesday 8 July. The evening will be an half hour bookable timeslot for you to meet your child's form tutor, further information about booking on to this evening will be sent nearer the time. It is intended to provide you with up-to-date information about your child's transition to Hungerhill and our values, standards, and expectations. It is an ideal opportunity for you to ask any questions and for us to help you, as a family, prepare for September. Key members of staff including our Pastoral Team, Special Needs and Disabilities Co-Ordinator and members of the Senior Leadership Team will all be available to talk to. A member of our First Aid Team will also be on hand to discuss any medical needs that your child may have, which could impact on their transition to Hungerhill School.

Student Transition/Induction Days

These will be an exciting and fun packed few days of lessons and learning experiences. For your child to trial a real secondary school day we ask parents/carers to make their own arrangements for students to arrive and be collected from Hungerhill on these days. Feeder school students will be registered by their primary school at the front of Hungerhill, please speak to your Year 6 teacher for specific arrangements. For schools out of catchment, you will be met by staff and students from Hungerhill and directed from there. Please note Years 7 to 9 will be in school as normal but Year 6 students will follow a separate programme for these days. Students are to wear their primary school uniform to ensure they are easily identifiable by Hungerhill staff. **On Wednesday 8 July, students need to attend Hungerhill School in their primary PE kit.** Each day students should bring a packed lunch. Students who usually receive a free school meal should be provided with a packed lunch by their primary school.
