Dear Parents/Carers,

Re: Year 11 Leavers' Arrangements

We can't believe we are writing to you with only a few weeks left before your child begins their GCSE exams and then leaves Hungerhill to begin the new chapter of their educational journey. This is always a time when students and staff feel the pressure of the exams most acutely but also when we prepare for celebrating not only their achievements but also the wonderful young people they have become.

May we take this opportunity to say that we are incredibly proud of our Year 11s who have faced extreme challenges in their education and been very resilient in the process. This leaves us with no doubt that our Year 11s will make every effort to do their very best and achieve their potential; what they have achieved so far, not only academically but also in terms of their personal development and growth, is remarkable given the disruption their education has faced over the past few years.

We thought it would be useful for you to have a reminder of and further information about some key dates around the Year 11 examinations which begin on 5th May and end on 16th June, and our planned events to celebrate the Hungerhill journey that our Year 11s have been on.

Year 11 Parents' Evening

Our final parents' evening for Year 11 is on Thursday 16th April, 4-7pm and we look forward to seeing you then.

School Hoodies

Students who have ordered a school leavers' hoodie will be able to collect these in early May. A confirmed collection date will be shared with students closer to the time. Once issued, students are welcome to wear their hoodies in school; however, they are expected to wear their blazers during all examinations.

Tuesday 16th June - Leavers' Celebration

To celebrate the journey our Year 11 students have made at Hungerhill, and to recognise the invaluable support of our parents and carers, we are delighted to invite you to a celebration event from 4:00–6:00pm on Tuesday 16th June.

A letter has already been sent out, including an Eventbrite link for booking your place. If you require any further information, please do not hesitate to get in touch.

We very much look forward to celebrating this special occasion with you.

Friday 26th June – Year 11 Prom

The Prom will take place at Castle Park, Armthorpe Road, Doncaster, DN2 5QB on **Friday 26th June**. Students should arrive between 6:30-7.00pm and they should be collected at 10:00pm please. Separate letters and arrangements have been sent out but if students wish to discuss the Prom, they should contact Mrs Wagstaff or Mr King.

Thursday 20th August – Results Day

Students will be able to attend school to collect their GCSE results on the morning of 20th August. Further information about this will follow next term. This will be a chance not only for results collection but also to celebrate with them and say our final goodbyes before they embark on their post-16 journeys.

There are several important documents that students and yourselves need to be aware of. These can be found on our website by using the following link [Hungerhill School - Exams & Revision](#) Please do read these with your son/daughter so that the general expectations for the exams are understood.

We have organised a rigorous revision programme for our students throughout the examination period which will be published on the school website once finalised. Further information will follow in due course. **Please note that Year 11 students are expected to attend school in full until Monday 15th June, when the majority of the year group will sit their final examination (Physics). As this exam concludes in the morning, students will be dismissed immediately afterwards unless they are sitting Spanish the following day. Students taking Spanish are required to remain in school for scheduled revision sessions in preparation for their exam on Tuesday 16th June.**

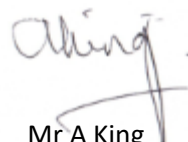

During these last few weeks of Year 11, we shall, of course, be working closely with our students to support them through this period, which we know can be one of stress and anxiety, not only for them but also for you, as parents and carers. Should you have any queries or require any further support, please don't hesitate to contact us. As always, we are only too happy to help.

We wish our students all the best for their exams and a fun-filled summer afterwards; we look forward to celebrating their wonderful achievements with them and you in August.

Kindest regards

Mrs K Crawford
Headteacher

Mr A King
Head of Year 11
