PARENTAL ON-LINE SAFETY TIPS

Thinkuknow is the education programme from the National Crime Agency's Child Protection Command CEOP (NCA-CEOP). Their aim is to protect children and young people from sexual abuse online.

Steps you can take to help keep your child safer online

Have an ongoing conversation: Continue to talk about the apps, games, and sites they like to use, and what they like and don't like and any concerns about being online. Discuss with them when to unfollow, block or report.

For help starting this conversation, read [having a conversation with your child](#).

Make sure they know where to go for support: Remind your child they can always speak to you or an adult they trust if anything happens online that makes them feel worried or upset. Remind them that they won't be in trouble and that you are there to help.

Make sure they know about NCA CEOP: Young people can report a concern about grooming or sexual abuse to NCA CEOP at <https://www.ceop.police.uk/safety-centre/> and get support from a specialist Child Protection Advisor.
