Dear Parents/Carers,

Re: Understanding Attendance at Hungerhill School – Parent/Carer Survey June 2026

As part of our continued work with ImpactEd to better understand attendance at Hungerhill School, we are inviting all parents and carers to complete a new survey during June 2026.

Improving attendance is a shared goal across our school community, and gathering the views of parents and carers is an important part of helping us identify how we can best support our pupils and families.

The survey will focus on:

- communication between home and school
- support available for pupils and families
- barriers that may affect attendance
- how we can continue to improve our approach to attendance and wellbeing

We greatly value your feedback and would appreciate it if you could take a few minutes to complete our survey. The survey will remain open until Wednesday 24 June.

You can access the survey using the link below or by scanning the QR code provided here:

Thank you once again for your continued support and partnership with the school.

Kindest regards

Miss M Harwood
Lead Deputy Headteacher
