Dear Parents/Carers,

**Re: Welcome Back – Final Half Term Updates and Key Dates**

A very warm welcome back to the final half term of the academic year. I hope you and your families had a restful and enjoyable break over the half term holiday.

This is always a special time of year in school, a term filled with reflection, celebration and important milestones. Our students continue to show tremendous commitment and resilience, and we are incredibly proud of everything they are achieving. In particular, our Year 11 students have approached their examinations with maturity and determination, and they truly deserve recognition for their efforts.

We would like to share some important dates for the weeks ahead:

- **Year 11 exams finish:** Tuesday 16th June – we have been so proud of them!

As always, this half term will be busy, but it is also one of the most rewarding times in our school calendar. There will be many opportunities to celebrate success, recognise hard work and come together as a community. We are very much looking forward to sharing these moments with our students and you as our families.

Thank you, as ever, for your continued support, I will be in touch again before the end of term with further updates.

Yours sincerely

Headteacher
