Dear Parents/Carers,

Re: Attendance Success - Rewards, Celebrations and a Strong Finish to the School Year

As we near the final few weeks of term, we are excited to be approaching the end of a busy and successful school year. We are incredibly proud to share that **507 pupils** have reached our school attendance target of 97% and above. This is a fantastic achievement and reflects not only the hard work of our students, but also the ongoing support from families- so thank you! Even more impressively, we are now ranked within the top **10% of all FFT secondary schools** in England for attendance, meaning more students than ever are consistently accessing their education.

These last few weeks are incredibly important for our students. Every lesson counts in helping them secure their learning, build confidence, and finish the year on a positive note. Strong attendance also ensures students do not miss out on the many rewarding and memorable experiences still to come.

We recognise that maintaining excellent attendance is a team effort, and we truly appreciate your continued support. To celebrate this final push, we are delighted to introduce some special attendance rewards:

- ★ Any student who achieves **100% attendance from now until the end of term** will be entered into a prize draw.
- ★ 5 selected parents/carers will receive a **£10 gift voucher** as a thank you for supporting excellent attendance.
- ★ Each week there will be a non-uniform reward day for the top attending tutor group in each year group.
- ★ Each week 5 pupils selected from each year group will be entered into a draw to receive a range of delicious, sweet treats.

We also have a range of exciting end of year events and rewards taking place, including:

- 🎉 Celebration assemblies and awards for students
- 🎉 Enrichment and activity days
- 🎉 Tutor group events and end of year celebrations
- 🎉 Special rewards for effort, progress, and attendance
